

Dear Students,

I know many of you have reached out for support and we are here to help.

We are profoundly saddened by the violence and conflict in the Middle East. This global event has far-reaching implications, affecting not only the individuals and families directly impacted but also resonating deeply within our multi-cultural and closely-knit college community. Our thoughts are with those affected by and enduring the challenges caused by violence and conflict.

Students who may have questions and concerns about their immigration status, temporary fee relief, payment options, and those who are seeking academic accommodation, may reach out to the International Student Advisor (ISA) based on their academic School/Centre as outlined below.
